“The efforts the county is making to build new roads, as well as widen and improve existing ones, demonstrates our county leaders’ commitment to pave the way for new development,” observes Andrea Fahrenthold, MAI, Principal of AMF Appraisal Group, Inc.

“With growth comes change,” states Fahrenthold. “At AMF Appraisal Group, we are called upon to provide credible legal support on valuation issues relating to real estate investment, including lending policy, loan approval, financing and property valuation; as well as valuation analysis for both private property owners and condemning

authorities throughout Texas. We are the experts in the Montgomery County market; and the group to contact for economic damage estimates, market research and analysis, feasibility studies and property tax protests.”
